

## Whatever work, family or life stage you're at, we can help make work+family work better for you

You can access a wealth of help and support for all life stages:

- Webinars: practical and interactive webinar events for working parents and carers
- Speak to an Expert: from questions about care, to dealing with emotional, practical, parenting or work-related issues
- Education Spotlight: free memberships and exclusive discounts on life skills coaching, tuition support and exam preparation
- Ongoing Care: expert help in your search for permanent childcare or eldercare
- Insider Guides: our library of invaluable, detailed guides is available free to download
- Blogs: topical advice, expert opinion and experiential articles
- Being a Dad: Resources that provide unique perspective and support

## You'll also receive:

- Life stage newsletters: monthly bespoke emails relevant to your current life
- Resources Updates: Resources to highlight and support with key events

Experiencing a care crisis? We can help you solve it in a matter of minutes with back up care for when care plans fail, or you need extra support for a loved one.

## You can book:

- In-home childcare (newborn up to 16 years): provided by leading nanny agencies
- Nurseries (3 months to 5 years): you can also nominate your nursery to join our network
- Holiday Clubs & Virtual Clubs (5 to 17 years, age will vary by provider): learn new skills
- Childminders (3 months up to 12 years): all verified members of professional governing bodies
- Adult or Elder Care Specialists (18 years +): facilitated by fully regulated care agencies

## Adult care support includes:

- Self-care when recuperating
- Domiciliary and companion care
- Access to resources to help navigate the challenges of adult and elder caregiving
